

The management of Bombons Cudié considers product safety and quality to be top priorities and fundamental pillars of our company culture. Collaboration, dynamism, and the commitment of our entire team are essential to delivering high-quality products and services.

This policy sets the framework for achieving our food safety and quality objectives and defines our organizational strategy based on the following values and commitments:

- Ensure full compliance with all legal and regulatory requirements pertaining to food safety and other applicable fields.
- Meet all quality and food safety standards under which we operate, including the technical and religious requirements for products manufactured under the Halal Food & Quality certification.
- Ensure that facilities are in proper condition, equipment is well maintained, and processes are clearly defined.
- Promote the commitment and participation of our employees and collaborators through training and education.
- Promote a culture of quality and food safety across all organizational levels.
- Ensure that hazards and critical points in our processes are identified, assessed, and controlled in such a way that they do not pose any risk to the consumer.
- Guarantee the maintenance of effective communication systems, both internal and external, regarding quality and food safety matters.
- Set annual food safety and quality objectives and regularly review them.
- Customer orientation: through all the above points and a proactive attitude, achieve and maintain customer satisfaction.

This policy drives our commitment to continuous improvement and is clearly communicated to all staff at every level of the organization.

Signed: CEO

A blue ink signature is written over the Cudié catanias logo, which consists of a blue square with the word "Cudié" inside and "catanias" below it.
